A luxury pool villa. Outstanding with an exclusive location near Bang Tao beach in a few steps. The two-storey home have 3 bedrooms with en-suite bathrooms. The two-bedrooms on the upper floor have totally private balconies overlooking the pool and garden. Downstairs, the open plan kitchen, living and dining area is bright and airy with glass sliding doors that open to the pool and sundeck. High ceilings and ceiling fans keep the room cool and reduce the need for air-conditioning. In the cases of 3 and 4-bedroom homes the other bedrooms are located on the ground floor. Because of the flexibility in the design, one of these can be used as a family/entertainment room rather than fully as a bedroom and could perhaps incorporate a sofa bed giving the option for it quickly to be used as a guest's room. The private swimming pool, which has a small waterfall feature, is set beside a wooden sundeck and adjoining the tropical garden. Walls of 2.5 metres ensure complete privacy and seclusion surround the home. There is 24-hour security and keycard entry at the front gate.

Facilities: cctv, fitness, garden, security and swimming pool.
