Pleasure

Resting on a hill and facing the sea, with extensive views of Layan Beach and the Andaman Ocean. The project is low density - built on only 30% of the property; 70% of it will be kept all natural, in keeping with the beauty of the setting. Designed while keeping nature in mind – spacious and open, inviting nature in with the airy feel. The villas are built around the trees and guarantee you 100% privacy.

Treasure

Giving you the Best of both worlds in terms of design, concept, and value for money, compared to other projects. All-inclusive condo registration format – including the common area and facilities, gardens, clubhouse and kids club.

Plenty of room for couples and comfortably spacious for families. Carefully designed to have a master bedroom on the top floor and living room downstairs, which could easily be converted to a second bedroom equipped with toilet and outdoor shower. Glass windows invite natural light, bringing the sea, sand and sun closer, with separate sink and bathtub dividing the wet and dry area. Seamless flooring makes the room feel even bigger and brighter including balconies and pool access with well-selected materials from experienced designers making the villas comfortable yet sophisticated.

Thoughtful and impeccable design, the furniture is durable made with high quality material which will requires minimal maintenance. Using the concept of one key & one pool in every villa, which is the most popular room type, ensuring it's fully booked year-round.
