A private residence in Phuket for those seeking lifestyle excellence with unrivalled prestige, here is a truly rare opportunity to own one of Phuket's foremost properties.

Since its opening in Phuket in 1988, the flagship of Amanresorts, The Amanpuri, has established an unsurpassed reputation for personal service and fine cuisine, complementing the unique natural beauty of its tropical island location on the beautiful white sands of Pansea Beach on the west coast of Phuket.

Amanpuri's private villas are set apart from the main resort and occupy a private headland that affords breathtaking views. This stunning oceanfront villa offers incredible views from all four separate bedroom pavilions and both upper and lower level swimming pools, as well as living and dining salas. Typically, the dark-tile upper pool and sun decks form the centrepiece around which the pavilions are arrayed. The interiors are finished to the expected immaculate standards, with carefully selected Thai furnishings, art and antiques.

A rare opportunity to own a piece of paradise.
