Experience a fresh take on living with AVANA, a luxury pool villa that masterfully blends modern elements with the timeless elegance of traditional Thai style. This villa, a beautiful testament to Thai heritage and culture, integrates its distinctive features into a design that fosters a harmonious equilibrium of life and spirit, signified by the flow of air.

This villa stands out with its unique identity, a harmonious fusion of a traditional Thai style gable roof and contemporary design touches. Every detail is meticulously curated to guarantee an extraordinary living experience. The layout places a high priority on individual privacy while promoting effortless family bonding. The villa is designed with a warm and welcoming living area that sets the stage for you and your family to create and cherish countless unforgettable moments.

The Pavilion at AVANA is more than just a conventional gazebo. Designed with an exclusive core emphasis on maintaining the privacy of hosts and guests, this Pavilion offers a spacious private area. It includes features such as a counter bar and a bathroom, promoting both luxury and comfort. Stepping outside, guests can appreciate the verdant garden area and immerse themselves in the signature AVANA pool experience.
