If you get tired of lounging by the pool, you can have a few laughs over a friendly game of billiards, or you can break a sweat in our fully equipped exercise room which includes free weights, treadmills, machines, and a boxing bag. When you're done with your workout, you can order an in house massage to help you relax.

Bann Chang villa is a great place for celebrating special occasions such as birthdays and anniversaries. It is especially idyllic for weddings due to its elegant sala which is centrally located on the wide open space of the upper terrace that overlooks the lush tropical surroundings — the perfect place to take those special vows. We can arrange the wedding ourselves or we can hire a professional wedding planner to ensure an unforgettable experience.

We can also arrange romantic candlelight dinners, or if you prefer, casual BBQ feasts that include your favourite meats and the freshest seafood in Phuket. Our in-house chef can prepare delicious Thai style buffets for an authentic culinary experience.

So forget the big impersonal hotels littered with strangers and come experience the right way to relax in an exclusive, family oriented villa — where the only guests are those you bring with you.
