SPACE IS THE NEW LUXURY- 1,780 Rai Gated Community

The 1780 rai of land has since housed a few exclusive residents who have enjoyed, peace, quiet, tranquility within this natural green oasis.

Our intent is to preserve this thriving habitat while creating a small community. Lead a life that is sustainable and nourishing to your mind, body, and soul

The original residences "Blue Canyon Heights" were built on the most elevated part of the land with vistas of forests, gardens, golf course and Phang Nga bay. On offer is one of Phuket's rare low-rise developments with spacious space.
