Another new development phase, of modern and luxury pool villas, by a successful villa developer who has completed over 14 villa projects in Phuket. The Botanica Forestique is composed of 27 stylish, tropical pool villas, in a highly sought-after residential location, nearby to the Laguna Complex and the sands of Layan Beach.

Every villa is single-level, which is ideal for those wishing to live in a stair free, luxury tropical-style home. Each villa will have a good-sized, private swimming pool, built-in wardrobes, modern kitchen with an island, and a spacious, open-plan living and dining area.

Plot sizes start from 656 sqm up to 1030 sqm. Built up areas range from 424 sqm to 567 sqm. All come with a 4 bedroom floor plan. The relaxing outdoor areas include a 10.8m or 13m long private swimming pool that is encircled by a lawn and scrub garden, with a spacious, comfortable, lounge seating pavilion.
