

BOTANICA FORESTA (PHASE II) PHUKET, THAILAND

Bathrooms: 5

Bedrooms: 4

Lot size: 470

Price: 33240000

Property size: 403

The second phase of Botanica Villas Foresta development is situated in tranquil and rural Layan, away from the hustle and bustle of the town. It is conveniently located just a short drive away from pristine Layan Beach and Laugna Complex.

Comprising of 52 stylish villas, this development offers a choice between single-story and two-story designs. Each villa includes 4 bedrooms, 5 bathrooms. Prices will vary, depending on the land plot size.

Featuring a modern and luxurious design, each villa boasts an ultra-modern exterior and a well-appointed interior. The spacious living areas have high ceilings and open-plan layouts, seamlessly blending the living and dining areas with the modern appliance-equipped kitchens, which feature an island/breakfast bar.

The living areas and master bedrooms open up to a generous pool terrace and a large swimming pool, set within a landscaped garden. Some units offer even larger gardens and pool decks, complete with a sala and sunbathing deck.

These exquisitely designed pool villas are suitable for long-term family residency or as a property investment.
