Adjacent to the renowned Laguna Phuket Complex and only a short drive away from the pristine Layan Beach, the newly developed Botanica Grand Avenue Villas presents an enticing opportunity.

Featuring a collection of 51 villas, this development provides modern and Balinese styles, with both single-story and two-story designs available. Each villa, has 4 or 5 bedrooms. Price depends on the size of the land plot and the intricacies of the buildings.

Exuding a contemporary and luxurious aesthetic, these villas showcase meticulous exterior craftsmanship and thoughtfully designed interiors. The spacious living areas boast high ceilings. The open-plan layout, blends the living and dining spaces with the modern, well-equipped kitchens, that include an island or breakfast bar.

The living areas and select master bedrooms open up to a generously sized pool terrace, featuring a large swimming pool enveloped by landscaped gardens. Some units offer even larger outdoor spaces, boasting expansive gardens and pool decks that include a traditional sala and sunbathing area, perfect for outdoor lifestyles.

With their exquisite design and versatile layout, these pool villas cater to both long-term family living and offer a promising investment opportunity for holiday rentals or long-term leasing.
