Very nice mountain resort in Kamala, 2 kilometers from the beach and convenient for shopping and dining. The resort hosts 7 Thai Bali style villas with individual 14 apartments, each containing 2 bedrooms, 1 living room with kitchen and a bathroom. All villas have a terrace and balcony overlooking the large swimming pool.

Total of 28 bedrooms. Very suitable for families. This resort has never been run commercially but only been used for friends and family so it is in great condition. Plenty of space to build additional villas / bungalows.
