Canopy Hills Villas Phuket, also known as คาเฟ่ วิลล่า ภูเก็ต, is a villa project located in Mueang Phuket, Phuket.

This upcoming development is set to welcome residents in 2025. The project offers a total of 9 units. Explore a range of living spaces tailored to your preferences with 4+ bedrooms units. Each room type at Canopy Hills Villas Phuket is designed to offer a distinctive and comfortable living experience, ensuring you find the ideal home that suits your lifestyle.

A private gated community consisted of 9 spacious and fully-functional villas meticulously designed for families with kids. A picturesque hillside location overlooking the lake and the valley combined with immediate proximity to international schooling, the villas serve as an ideal choice and a sound decision for a long-term family living in Phuket.

ARCHITECTURAL CONCEPT

The project was specifically developed for those who appreciate panoramic views and tend to avoid cramped spaces. The villas were designed by an international team of architects who implemented the concept with great care and attention to details with the idea to preserve the landscaping and viewing characteristics of the location, to ensure the functionality of every square meter of the villa being mindful of the children, to naturally connect the scenic views and surrounding nature with the space and comfort provided from within of the villas.
