This 5th floor 30 sq.meter studio unit has some mountain views from everywhere in the apartment! Most would probably agree it is one of the best furnitured and equipped studio in whole condominium! It's a lovely & bright condo with nice breeze air & feels surprisingly open spacious for its size.

The apartment has been insulated carefully to block unwanted sounds as well as save costs in AC electricity. Additionally we've created an artificial split of living room and bedroom to make it look even better. Renting this apartment you are getting a full house experience.
