Etherhome Seaview Condo is created under Eden Home Development (Thailand) Co., Ltd., a new property development company based in Phuket that aims to build top quality luxurious condominiums. Etherhome Seaview Condo is built for those looking to live lavishly in Phuket Island. Our experience team is here to provide the best high-quality furniture, latest building materials technology, aesthetic seaview, and premium amenities.

We construct with sustainable quality materials and have a variety of high-end furniture in our furniture packages. Our construction process is also highly monitored with an experienced team, to ensure that each process is maintained perfectly for maximum value on properties.

### **Highlight of Etherhome Seaview Condominium**

1. **Highly Skilled Design Team:** The project benefits from a skilled design team to create unique, Western contemporary condominiums.
2. **Customization Options:** Buyers have the option to customize furniture packages according to their preferences.
3. **Quality Construction:** The project boasts high-quality construction and material selection for durability and aesthetics.
4. **On-Site Amenities:** Residents can enjoy multiple on-site amenities, including a fitness center, swimming pool, and other common area facilities.
5. **Security:** There is 24-hour security to ensure the safety of residents.
6. **Condominium Management Service:** A management service is available to handle various aspects of condominium living.
7. **Scenic Views:** Units offer serene sea views or partial sea views, enhancing the living experience.
8. **Location:** The project is situated in a peaceful yet prime location, just a 5-10 minute drive to Rawai Beach. It also has the convenience of multiple restaurants and grocery stores in the vicinity, including Makro Rawai.
