This Private Lagoon Villa Development is a place where families and friends can enjoy every day of the year in a Contemporary Tropical style home and benefit fully from the rewards and pleasures that owning such a delightful property brings.

This property is the largest type of the two story detached villas and are located next to the lagoon looking across to the forested mountain. The impressive design emphasizes transparency with spacious airy rooms and large windows giving out onto the lagoon and the surrounding greenery. The setting benefits from the pleasant cool breeze created by the lagoon and the nearby mountain and is a unique natural feature of this project.

Majestic living room with different leveled-floors

Impressive dining room which is connected to a hall so you can see and feel scenery outside and touch the freshness of the nature

Large kitchen the heart of your home, with the right proportion between a food preparation section and a cooking area

Multi purpose area for laundering machine and your own convenient life

A maid's room, a bathroom and a storage room

Wide garage that can fit 2 large cars

The villa is an outstanding residential project combining luxury villas, private houses with the pools and gardens for sale and for long term rentals. The properties were designed with their own unique style appropriate to their natural surroundings. The developers have created an enchanting place centered on the lagoon feature and have designed the homes to blend in with and to benefit from the natural surroundings.
