Downstairs from the entrance living landing area is the second master bedroom, which is large enough to be a separate apartment. It has its own office area and living room furnishings as well as a king size bed. At the rear is a walk in dressing room and wardrobe and the very large master bathroom suite with its own private indoor jacuzzi area. The lower master bedroom has wrap around floor to ceiling high quality windows which open onto the pool terrace and pool and to steps down to Kalim beach.
