

KAMALA MILLIONAIRE'S MILE - 4 RAI SEA VIEW LAND FOR SALE - JUST THB 12M PER RAI

Lot size: 6400

Price: 48000000

4 Rai (6,400 sqm) of Sea View Land on Phuket's Millionaire's Mile.

Located next to Andara Signature, this land plot is accessible via a public road, it already has all utilities connected and it completely walled and gated.

There is a derelict villa on the site, hence the land is offered below the market price - comparable plots in the area are valued at THB 20-25 million per rai.

Suitable for the development of 3-4 high-end sea view villas.

With sea view land on Phuket's west coast at a premium, this is also a good opportunity for an investor looking to land bank and sell on in the future with profit.

Chanote Land Title.
