Karon Butterfly incorporates the best of Thai and Italian design, creating a modern style that reflects the best of the two cultures. The masterplan sets our rigorous standard and specifications, to ensure the highest quality in the development of our project.

All units have access to the central facilities including a reception ,a beach swimming pool, pool bar ,fitness centre, and a sun deck with sea views on the roof of G Building.

The interior layout consists of a kitchen corner, one bedroom, one bathroom with shower, toilet and sink. The project is surrounded by a rich tropical garden. Each apartment on the ground floor has its own private garden; the apartments on the first floor have the balcony, and each apartment has air conditioning.

Karon Butterfly Condominium is designed to compliment the landscape and to respect the natural environment that surrounds the project.
