

PASAK - LARGE 5 BEDROOM POOL VILLA NEAR LAGUNA

Bathrooms: 6

Bedrooms: 5

Lot size: 1920

Price: 20000000

Property size: 472

A fantastic spacious property in a quiet area of Phuket. Set in expansive landscaped gardens, this beautiful two story villa has a Mediterranean air with the wrap around balconies and red tiled roof. With five bedrooms, five bathrooms, swimming pool and children's play area this is the ideal family home. The Cherng Talay location is great for access to the West coast beaches, as well as International schools and shopping venues in the centre of the island.

In addition to the impressive exterior design, the house is full of little details and character. The living areas are finished with relaxed leather and wood furniture, with the terra cotta and slate effect tiling creating a warm homely feel. The living room is suitable for up to six people, while the dining table can accommodate eight guests. The fully equipped kitchen mixes modern wooden cabinets and stainless steel appliances. Brick wall features and Asian artwork add to the unique rustic appeal.

The spacious bedrooms feature wooden flooring, built in wardrobes and warm peach toned decor. The master bedroom has a fantastic bathtub by the bed, set on a separate raised section of the room. All rooms have access to the balconies which encircle the property. There is also a maids room and laundry room with washing machine.

The exterior of this home is truly special, there are a range of terraces, both covered and uncovered, a Thai style sala, the private swimming pool and children's play area. The garden is designed on different levels, with large lawn area and simple, elegant shrubbery. A relaxing chair swing and pond with water feature finish off this outstanding space.
