"Larimar" is the meaning of embodiment of the tranquil Sea and Sky energies. Its soft, soothing blues and calming turquoise are streaked with white patterns that resemble sunlight dancing beneath Caribbean waters. It brings the ancient wisdom of Atlantis and the healing power of dolphins to harmonize the body and soul. Larimar is a form of blue pectolite also referred to as the Atlantis Stone. Famous for the characteristic of blue and white streaked hues, the stone often resembles light shining through clear blue ocean water.
