

CHARMING 4-BEDROOM BAY VIEW POOL VILLA IN KATA

Bathrooms: 5

Bedrooms: 4

Price: 23000

Year built: 2008

This Villa offers Luxury and comfort, with full-time staff that will discreetly take care of your every need so that you are able to enjoy the exceptionally well-maintained facilities.

It was designed by a leading Thai architect, under guidance from an experienced European property developer and designer. The villa is built on a west-facing gentle slope, roughly a mile inland from Kata Beach. This allows for magnificent sunset views over the sea, through the tops of coconut trees from the terrace and infinity pool. It has its own private rooftop infinity pool and sundeck. The special filtration equipment provides crystal-clear water and the pool's powerful Jacuzzi-style water jets are positioned to allow you to view the sunset while savouring that exotic cocktail. Towels, beach towels, and luxury towelling robes are supplied and laundered during your stay.

Upstairs the large, open-plan living areas look out onto the terrace and pool. In addition to a spacious lounge, there is a large formal dining area with a ten-seater bamboo dining table; four bar stools are also available at the breakfast bar. The fully-fitted European kitchen comes fitted with black granite worktops.

The master bedroom has a magnificent Emperor-sized, bamboo, four-poster beds. The master-bedroom en-suite comes equipped with twin basins set in black granite, a walk-in shower and a 2 person Jacuzzi bath – ideal for relaxing in after a hard day sunbathing or exploring.
