New Oceanfront Villas at Banyan Tree Grand Residences

The Oceanfront Villas at Banyan Tree Grand Residences development is part of the upmarket 5-star resort within the popular Laguna Phuket complex.

Set in a prime beachside location, this development will consist of 10 two-storey stylishly decorated pool villas all on the first row of the project. Just across a small road and an additional 150 metre wander away from the project entrance is picturesque sandy Bangtao Beach.

On the lower level of each villa are located all 4 tastefully furnished bedrooms including a master bedroom and 3 guest bedrooms. Also on this level is a spacious multi-purpose room in the middle and every room has access to an internal courtyard or gardens. Every bedroom has an ensuite bathroom while the master bathroom comes with a separate bathtub and shower.

A spiral staircase leads you up to the relaxing sea view upper level where you can find a generous, bright and airy open-plan living and dining area with a fully-equipped modern kitchen that has an ample kitchen island. The floor-to-ceiling concertina glass door opens widely onto an extensive pool terrace that encircles an infinity swimming pool.
