The Architects and designers are Studio CKP who famously designed Blue Tree. The design shares elements of Blue Tree with a South American and Portuguese vibe. Notice the curb appeal, which is rarely seen in Phuket. 5 high end villas located at the end of a no-through road in Manik Cherngtalay.

The villas are 2 floors with the 2nd floor providing amazing mountain views to the South. All the villas are set back 8-10m from the road giving them each a large front yard and a welcoming feel. Manik Meadows is being built in-house by the team from Lofty Villas Co Ltd. Lofty is a well known property management company in Phuket with 2 Canadian owners, Wade Leathem & Wahid Bhat, who have been here 10+ years
