**Bathrooms:** 4

**Bedrooms:** 4

**Lot size:** 1200

**Price:** 10800000

**Property size:** 475

**Year built:** 2008

**This Phuket pool villa, in Mission Heights and its Thalang location, is a place where many things**

are possible. Living near the airport area and the growing Nai Yang town area will make life even better. Now is the time to get in, while prices are low for the area. For families, the UWC International school is very closeby. Future improvements, road widening, and more infrastructure will all add value to this area.

Here is an opportunity to own this very large and comfortable Phuket Pool Villa, Mission Heights in a more relaxed area of Phuket. The newest owner of this villa will love the large and spacious size of this home, land, and pool. Because the villa itself is perfect for an extended family or frequent guests.

This home features a large dining area made for entertainment and also relaxation. And if you are the active swimming type, feast your eyes on this very large pool, just off the balcony or patio. Also, you will find the bedrooms to be very large because the privacy of the ensuite bathroom makes for easy living here.

Off of the living area is a home office area or it could be a media room, craft room, and the choices are yours, once you see this home, let your creative mind run wild. There is certainly enough room to do that.

The spacious master bedroom features a jacuzzi jet tub for your added relaxation. Seamless custom closets and teak dressers are carefully built into every room.

## **Come see us...**
