Bedrooms: 1

Lot size: 80

Price: 7490000

Year built: 2013

This condominium is tucked away at the edge of town, but stands out with its modern and unique architectural design. The condominium has seven floors of accommodation for long-stay residents and holiday guests to enjoy a fulfilling tropical lifestyle. The project ticks all the right boxes with well-appointed spacious apartments plus balcony and attractive common areas, all professionally maintained by the property management team.

The quality facilities including the gorgeous infinity-edge swimming pool on the roof top affording amazing views of Patong Bay. Above all this project a stylish, safe and secure haven, in one of the hottest destinations in South East Asia.

Project offers a combination of beautifully finished one bedroom apartments with a generous balcony to enjoy the stunning views and sea breeze. The quality interiors are air-conditioned throughout and are fresh and bright thanks to the floor to ceiling windows and modern clean décor. The bedrooms have wooden flooring as standard and bathrooms feature separate clear glass shower cubicles with refreshing rain shower. The European style kitchens have fitted cabinets providing plenty of storage space, a quality work top for food preparation and come complete with stainless steel double cooking hob and extractor hood.

Unit area start from 80 sqm.
