

MODERN 4-6 BEDROOM SUPER VILLA WITH PANORAMIC SEA VIEWS

Bathrooms: 5

Bedrooms: 4 - 6

Lot size: 3680

Price: 259000000

Property size: 2700

Thoroughly modern styled, super villa with staggering panoramic sea and sunset views on Kamala's Millionaire's Mile.

The villa is designed as three separate structures sitting on the generous 3,680 Sq.m plot. Each pavilion which has full height glazing to the ocean for all rooms, fulfills a main function.

The upper level pavilion houses the reception area, living dining and kitchen areas. It has the largest of the villas three swimming pools which frames the Andaman ocean to the west. At the side are the home theater and staff quarters.

There are 4-6 ocean view, oversized bedrooms and bathrooms.

The second pavilion is lower and in front of the first, it houses the three main guest suites, spa room and gymnasium. It also has a pool and open-air sea view bar area - there are 3 infinity pools in total!

The side pavilion houses the master suite with its own private pool. All ceilings are over 3 meters high. All bathrooms are huge and inviting.

The massage suite and or gym can easily be configured as additional bedrooms to take the total from 4 as now configured, up to 6.

The villa is within a gated private west coast, ocean front estate within easy drive of Patong and Kamala/ Surin.

Words don't do justice to this unique and stylish architectural wonder. Truly a breathtaking house which suits a luxury Phuket lifestyle.

Asking US\$ 7,500,000 or Thai Baht equivalent.
