This is a truly special apartment available from the sought after sold out Phase 1 apartments at Royal Phuket Marina, Thailand's only 5 Star Marina development. This unique 2 bedroom apartment has been completely refitted with custom made furniture and designer touches and is an absolute must see.

This 154 sqm 2 bedroom apartment is like no other at Royal Phuket Marina. The owner has lovingly lavished this apartment with the highest quality materials from the imported granite in the kitchen and bathrooms, to the beautiful tropical hardwood accents and built-in furniture throughout the unit.

The unit has an elevated position overlooking the marina and the gorgeous 25 meter long infinity pool and lush tropical gardens. A discrete balcony off the living room provides a welcome outdoor space where outdoor lounging and dining can be enjoyed. The fully equipped kitchen includes a dishwasher and washer/dryer.

The apartment comes fully furnished and is ready to move in. There is a direct elevator access to an underground parking space which comes in very handy during the rainy season. On site at Royal Phuket Marina is a 250 meter long Fisherman Wharf style promenade lined with trendy restaurants and bars, as well as Phuket's finest health and fitness club. Flood lit tennis courts and a soon to be built exclusive beach club on a nearby private island rounds off the amenities and features included in the Royal Phuket Marina lifestyle.
