Through innovative design and location, Sansuri offers a unique combination of investment potential and an exclusive tropical lifestyle.

To create such an opportunity the Developer has established a management company who provide

a comprehensive selection of services with an emphasis on apartment rentals to generate attractive return for the owners.

Phuket is an established premier holiday destination and is one of the best short haul islands for markets from Hong Kong, Singapore, Japan and Korea and an increasing number of visitors from Europe and Australia. Future popularity of the island is assured. The long term holiday apartment rental market is growing with potential demand and capital growth expected to increase.

Hotel Rental Guarantee Program

Regardless of whether your apartment is vacant or rented, you get guaranteed monthly profit. You also get owner use time for a fixed number of days for yourself, friends or family to use at no cost with the service of a 5 star hotel. There are several benefits to individual property owners at Sansuri in being a part of a rental pool program.
