Saturdays Villas is a villa project designed for buy-to-build located in a developing residential area near Rawai Beach and Chalong in the south of Phuket. The development consists of 8 semi-detached pool villas that offer a modern and tropical Asian design.

Each villa has 2 tastefully decorated bedrooms, both with ensuite bathrooms, while the master bedroom features a larger bathroom with a separate bathtub and shower. Moreover, the master bedroom offers direct access to the private swimming pool, which is surrounded by a pool deck and a small garden. The open-plan living and dining area has a modern design with a modern kitchen and island, and it opens directly onto the pool deck to relax by the swimming pool.

This property is perfect for couples/families looking for a comfortable and compact home or investors who wish to own a potential holiday rental villa in a popular location.
