A brand new villa project designed in a contemporary style located on a hill in a quiet, comfortable location close to Naiharn Beach in the south of the island.

The project is ideal for a family residence, and suitable for a rental program that is attractive to investors. Only high quality materials are used for construction. The interior uses a lot of treated natural wood and stone. The swimming pool has been designed and built with an ultramodern filtration system using a salt water system

There are three villa types in a select development of 15 villas. Each villa is spacious with its own tropical garden, large terraces and swimming pool.

Prices range from THB 11.9m to THB 17.65m.
