The View is conveniently located on a private elevated position overlooking the 3 cosmopolitan beaches of Kata, Karon and Kata Noi, on the prestigious sunset western coastline of Phuket; just 45 minutes drive south of Phuket International airport, just about 800m away from the beach.

The low-density, low rise, architectural style is a modern tropical contemporary design with strong and deliberate emphasis employed to maximize the view, whilst protecting personal privacy. Careful selection of appropriate materials helps to ensure the practicality and durability of the construction without compromising the aesthetic or function of the units. Each block is constructed in light bright white allowing excellent natural light, whilst the generous windows and full height doors allow optimum ventilation reducing reliance on air conditioning and maintaining our commitment to greener sustainable development. The Wellness Center with Spa, Fitness Gym, and Sauna, it's a part of the facilities as well as the Restaurant and 2 Swimming pools.

On offer is a wide range of high quality sea view units ranging in size from our generous one-bedroom units at 116sqm to the opulent six-bedroom penthouses at 674sqm.
