Villa Tan Tawan is a three-bedroom luxury residence that showcases, most probably, the very best of Thai vacation living – as exemplified by the entire villa’s distinctively Thai contemporary architecture and design, by the craftsmanship of the stylish and elegant appointments, as well as by the captivating beauty of the villa’s natural setting.

At Villa Tantanawan, you will truly experience a holiday that is both dreamy and magical – one you will surely miss and always long for.

The villa has three bedrooms. One is at the far end of the infinity pool and opens out to the pool area and to its very own balcony. Two other bedrooms are on the second floor. Both open out to a long balcony that provides a higher vantage point that looks out to sea

Laid out alongside the villa is the infinity pool. Immersed in its cool and clear waters, you may never want to leave. As you take a soothing dip or carelessly wade, you also get an unobstructed, panoramic view of the Andaman Sea and the verdant inland mountains. If ever you manage to climb out of the pool, you will remain hypnotized as you recline and stare out to sea on the pool beds at the covered terrace.
