The design inspiration comes from the morning sunlight phenomenon (SEA SUNRISE PHENOMENON) that sparkles against the sea, reflected on the architecture both inside and out. The beautiful color gradients are like the sunrise on the building. The design and colors of the pool pattern are inspired by the color of the sun, which is unique to Phuket along with a resort-style common area where you can relax every day. Moreover, The Base Rise Phuket is designed to make your life easier with a range of facilities. Enjoy the convenience of on-site amenities such as 24 hr security, cctv, car park, ev charging station, swimming pool, fitness corner, function room and co-working space.
