The Headland Cape Yamu is now offering discerning investors an opportunity to own a secluded and luxurious waterside home on the last remaining piece of estate on Cape Yamu Phuket.

On the tip of Cape Yamu, one of Phuket's most unique and secluded locations sits the Headland estate with its seven luxury villas perched high above the surrounding land and seascapes.

The Headland Villas are incredibly spacious, ranging from approximately 2,000 to 2,500 SQM. Each villa will be custom designed to suit your tastes and style and include 4 to 6 bedrooms, a large infinity pool, and decks with panoramic views.

The estate's master layout plan focuses on providing residents with comfort, privacy and security and includes unique common areas that offer a host of convenient services that support a healthy tropical lifestyle. Resting on over 10 Acres, each property is situated on a significant plot, where the landscape and architecture is designed to maximize your enjoyment of the truly amazing surroundings while enhancing your privacy.

The Headland, Cape Yamu provides a sound investment and ideal location to enjoy the best of island living in your home away from home.
