TIARA Saku, Private Villas in Phuket Live in the Heart of a Hidden Gem. TIARA Saku goes beyond being merely a villa; it's a sanctuary where the boundaries between home and nature seamlessly blur, creating an unparalleled lifestyle that celebrates the beauty of living with and within the natural world. This property, nestled in a private community, is meticulously crafted to embrace nature, offering families a harmonious blend of luxurious living, a strong sense of security, and a close connection with the natural surroundings.

We locally source our materials to ensure that our villas withstand the sea breeze and the harsh Thai weather over time. Our commitment to longevity extends to TIARA Saku, where we pledge to construct homes that stand resilient against the sands of time, ensuring each villa becomes a timeless.
