'VILLA PHRA DA' IS A BOUTIQUE DEVELOPMENT OF 8 SPACIOUS PRIVATE POOL VILLAS LOCATED BETWEEN THE TOWN CENTRE OF THALANG AND MISSION HILL GOLF CLUB.

Live life in the natural privacy of your own tropical villa. This boutique development of 8 spacious private pool villas is surrounded by tropical rain forest and is located close to the airport, beaches, world class golf and shopping.

This development offers modern Balinese style pool villas with three bedrooms (optional can also be two or four bedrooms). On some plots, a detached fourth bedroom can be added. The villas are designed and constructed to the highest finish with modern technology and expert craftsmanship.

All villas are sold either freehold or leasehold (90 years), depending on buyers needs, with an easy payment structure to suit your needs.

The project is located in the north east of Phuket in a quiet and, as yet, relatively undeveloped part of the island. Once a small fishing community and tin mining island, Phuket is now a popular tourist destination. The natural beauty of the Andaman Sea, clear blue skies and the long stretches of golden sands make this the ideal getaway location.

A show villa is ready for inspection and purchase.
