A Place to Call Home:

This magnificent five-bedroom oceanfront villa complex sits directly above the bay over Trisara's northern headland and comprises of 3 levels that are connected through beautiful garden walkways, bridges, and stairs.

The private entrance opens to an expansive deck with swimming pool, tastefully decorated bedroom and a living Sala offering prime views of the Andaman Sea. 3 additional bedrooms are located on the second floor and all provide sunset views year-round.

The master bedroom is located on the ground floor with easy access to the villa's main pool. The entire villa embraces the ocean, from the top entrance pavilion down through the main pool deck. It is tastefully decorated with beautiful artwork from all-over South-East Asia.

The villa is cared for and serviced by one dedicated cook and two housekeeping staffs who prepare home-cooked Thai and Western dishes from the modern kitchen.

This estate is offered for sale - PRICE ON APPLICATION (Protected Leasehold).

Trisara, in Sanskrit "The Garden in the Third Heaven" is Phuket Island's most special resort experience. Wrapped in a tropical forest and exotic gardens, the 48 spacious ocean facing pool villas and 2-6 bedroom private residences all embrace a quiet bay on Phuket's sophisticated and natural north-western coastline, just 15 minutes from Phuket Airport.

Buyers become part of the Trisara family and enjoy the facilities and services available to the resort guests such as tennis, gym, spa and service at the beach / pool, library, 24 hour private dining (room service) plus around the clock security, engineering and management support.
