**Set on the hillside in Cape Yamu on the peaceful east coast of Phuket, Villa Sapna is a stylish five-bedroom haven with outstanding sea views in two directions. Wake up to a dramatic sunrise over Phang Nga Bay, then at dusk gather on the rooftop terrace to watch the sunset over Sapam Bay.**

Relax, enjoy the views and settle in for a luxurious tropical holiday at this bright modern villa, which is arranged in two pavilions accented with exquisite works of art. The chic yet comfortable open-plan living and dining room and a generous-sized family room open fully to the 20-meter private pool, terrace, lawn and gardens.

Swimming in the sparkling infinity pool, with its spectacular sea and sky vistas, offers a "floating in heaven" sensation, and the villa's textured white walls, reflecting pools and orchid-filled urns lend an air of cool serenity. Inside are designer furnishings and eye-catching paintings by some of Asia's most celebrated contemporary artists including Attasit Pokpong and Yue Min Jun. The five bedrooms, which include a poolside master suite with a jacuzzi, are each lavish hideaways with ensuite bathrooms, double beds and inspiring sea views.

Villa Sapna is part of a private estate in Cape Yamu surrounded by a rural landscape of coconut, banana and pineapple plantations and fishing villages, and offers the perfect base for exploring the nearby tropical islands and Phuket's lush interior. A five-minute walk down the hill leads to a small beach and pier used mostly by local fishermen setting off for the day in their longtail boats. Beyond the villa, Phuket's best dining, spas, golf courses and west-coast beaches are all found within a short drive.

Guests can enjoy the dedicated service of a private chef who specialises in Thai cuisine, a villa manager and housekeeping staff, all professionally trained to offer five-star care.
