Vibrant sunsets, sea breezes and ultimate comfort await you at Yaringa, a luxury private villa on Natai Beach. With its large seafront pool, spacious indoor and outdoor living areas, three lavish ensuite bedrooms and 10 kilometres of beach to explore, Yaringa is a coveted escape for

families or groups.

Just 30 minutes from Phuket airport yet far from the tourist crowds, Villa Yaringa is a three-bedroom holiday home just steps from the glorious golden sands of Natai Beach.

Yaringa, which means "by the sea" in aboriginal Australian, is an impeccable seaside retreat for families or groups of friends. Yaringa is a place to let the days unwind in ease and comfort, relaxing by the pool and looking out across a vivid blue vista of sea and sky, wandering down the road through the lush tropical landscape of coconut palm plantations and buffalo fields, taking a dip in the Andaman sea. Then as the sun goes down, gathering for a delicious Thai dinner and sunset cocktails prepared by the villa chef.

Designed for both a laidback holiday and entertaining in style, Yaringa's spacious indoor and outdoor living spaces make the most of the exquisite beachfront setting. The bright open-plan kitchen and dining room opens directly to the terrace, where more comfy lounging and dining areas are arranged to capture the sea views. Enjoy prime ocean views while taking a cool dip in the huge and exotically designed pool overlooking the beach. All three bedrooms are serene havens with queen or king-sized beds and private bathrooms, including two with double jacuzzi bathtubs.

The villa's team of full-time staff offer friendly service, and include a villa manager who can assist with transport, excursions and bookings for restaurants or in-villa spa treatments. Daily complimentary breakfast is included in the villa rate and the chef is an expert in Thai cuisine – make it a night to remember by arranging for a Thai dinner on the terrace under the tropical night sky.

Just beyond the villa, Natai Beach offers 10 kilometres of sand to explore, while waiting to be discovered within easy reach are lush jungles, waterfalls, scenic golf courses, the Similan islands and serene Phang Nga Bay. Phuket's sights and activities, including modern shopping centres, nightclubs, bustling markets and the streets of the historic Old Town lined with colourful Sino-Portuguese shophouses are just an hour's drive away.
