

ZEN SPACE - 2-BEDROOM MOUNTAIN VIEW APARTMENT IN KAMALA

Bathrooms: 2

Bedrooms: 2

Price: 4500

Property size: 210

Zen Space is a contemporary with central open-plan living space which has floor-to-ceiling sliding glass doors running the entire width of the room.

The elevation ensures that cooling sea breezes, which sweep up the valley, are optimised throughout the year, and they also give amazing views of the untamed verdant jungle and hills. The living area is furnished with a comfortable sofa which faces a wall-mounted flat-screen TV, whilst the thick wooden central island separating the kitchen from the living area doubles as a food preparation space and a dining table. The kitchen is fitted with high-gloss cream units and equipped with an integrated oven, with four ring hob and extractor hood above and a tall fridge/freezer. The guest bedroom is spacious and furnished with a king-size bed facing a wall-mounted flat-screen TV, ample fitted wardrobes and a well-appointed en-suite shower room.

Full-height sliding doors at the rear open onto a private covered terrace area which enables the doors to remain open whatever the weather for natural ventilation. The master bedroom is also spacious and has a king-size bed facing a feature wall housing a flat-screen TV with console below, and has twin fitted double wardrobes and a vanity unit. The oversize en-suite has a large walk-in shower and sliding doors leading to the exterior sun-lounging deck and rear courtyard. The deck has an inset Jacuzzi and the area is surrounded by lush tropical foliage so you feel close to nature.

There is a communal swimming pool which looks out over the valley and the surrounding untamed mountains, as well as a communal relaxation area and sunbathing terraces.
